[How Languages Are Learned 3rd edition \(242 pages, 2006 ...](#)

Children learn how written language differs from spoken language, how the language used to speak to the principal is different from the language of the playground, how the language of a science report is different from the language of a narrative. As Terry Piper (1998) and others have documented, some children will have even more to

learn. They come to school speaking an ethnic or regional vernacular.
