Prodigy Math Game - Learn Math for Free, Forever. The best thing that Prodigy has done for my students is bring excitement to mathematics. The program exhibits the perfect balance of engaging elements for students and feedback tools for teachers. The program exhibits the perfect balance of engaging elements for students and feedback tools for teachers.

What is the funniest book you've ever read? : books - reddit

I honestly think Catch-22 is one of the least funny books I've ever read. I respect its place in the history of American letters and I think it handles its own absurdity rather well.

but damn if that book just isn't funny.
